## ADVERTISING AND VENDOR PACKAGES

The 65th Canadian Closed DanceSport Championships would like to offer an opportunity to promote your business and attract new clients by reaching out to competitors, their friends and family members and dance enthusiasts who attend our event. Dancing is a popular past time enjoyed by those interested in arts and entertainment, high performance athletics, designer clothing and accessories, as well as a variety of associated esthetic, sport and medical therapy services. Our patrons are eager to support businesses owned by, or affiliated with, people they know. Take this opportunity and make a connection!
